Setting Up your Neonatal Outreach Service

Full agenda: Wednesday 15th December 2021 | 9.00am registration- 3.30pm close

Event information: highlights of the programme

Seize this opportunity to build your neonatal outreach service with the guidance of established services and learn how you can work to improve care approaches for both baby and family by focusing on:

- **Building** your neonatal multi-disciplinary team to effectively implement change
- **Evaluating** data to build a robust neonatal outreach pathway
- **Improving** your service collaboration with other neonatal services
- **Implementing** a home oxygen service to support your outreach team
- **Developing** safe and effective home NG tube feeding to enable early discharge
- **Overcoming** the barriers for delivering neonatal outreach services
- **Building** a supportive and wellness focused workforce to reduce burnout
- **Integrating** digital tools into your outreach service
- **Establishing** safe guarders in your outreach service to signpost complex and vulnerable cases

Pricing structure: price and attendance
