

Establishing and Supporting Neonatal Home Phototherapy

Promote the gold standard of home phototherapy by improving the parental competencies in line with national guidelines

 Online Workshop

 Fri 17 Sep 2021 09:00-15:30

Establishing and Supporting Neonatal Home Phototherapy

Full agenda: Friday 17th September | 9.00 registration- 3.30pm close

Workshop leader: hear case study presentations from experienced workshop leaders, Sarah Moxon, Dr Richard Mupanemunda and Roelle Tucker, who have successfully implemented a neonatal home phototherapy service

Event information: highlights of the programme

- **Home phototherapy best practice experience:** the NICE guidelines and neonatal jaundice
- **Home phototherapy audit** of current practice and assessment of family feedback
- **Improving collaboration:** working with your MDT to promote home phototherapy
- **How to write home phototherapy guidelines** and improving compliance
- **Promoting FIC Care:** supporting the right training and safety measures for parents

Expected attendees: audience insight

This day is a must attend NHS workshop for those working in neonatal and maternity services across the NHS. This event is designed for but not limited to attendance from:

- Neonatal Outreach Nurses, Matrons, Sisters, ANNP
- Neonatal and Community Clinical Leads and Consultants
- Neonatal and Maternity Practice Facilitators, Educators and Managers and Leads
