

Clinical Coding National Networking Forum 2021

Engage with clinicians as they share medical knowledge to enable accurate and collaborative coding

 Online Conference

 Tue 14 Sept 2021 09:00-16:10

Clinical Coding National Networking Forum 2021

Full agenda: Tuesday 14th September | 9.00am registration- 4.10pm close

Event information: highlights of the programme

- **Understanding** and improving accurate coding in strokes
- **Interactive discussion:** how can we maintain and sustain positive remote coding?
- **Understanding and recognising** the comorbidities of Long Covid-19 in coding
- **Orthopaedic trauma:** procedures, infections and improving data quality
- **Interactive discussion:** How can you engage clinicians to ensure joint coder-clinician working?
- **Updated coding recommendations:** understand them for endoscopic procedures
- **Interactive discussion:** How can we improve recruitment processes for clinical coders?
- **Tackling variables in medical oncology** to improve data quality in readiness of AI
- **Coding** for complex head and neck cancer surgery to advance clinical outcomes

Pricing structure: price and attendance

- £249 + VAT for one NHS or public sector place
- £199 + VAT (each) for two or three NHS or public sector places
- £599 + VAT for one commercial organisation place
