

## Establishing and Supporting Neonatal Home Phototherapy

Practical advice, guidelines and experience on setting up a home phototherapy service

 Online Workshop

 Wed 9 Mar 2021 09:00-15:30

## Establishing and Supporting Neonatal Home Phototherapy

**Full agenda:** Wednesday 9th March 2022 | 9.00am registration- 3.30pm close

**Workshop leader:** hear case study presentations from experienced workshop leaders, Sarah Moxon, Dr Richard Mupanemunda and Roelle Tucker, who have successfully implemented a neonatal home phototherapy service

**Event information:** highlights of the programme

- **Developing home phototherapy guidelines:** treatment efficacy, side affects and criteria for home phototherapy
- **Audit of current practice and parent satisfaction survey:** insight into a detailed assessment of home phototherapy
- **Home phototherapy challenges and opportunities:** developing a 7 day service and managing phototherapy in the community
- **Effective MDT and collaborative working** to manage phototherapy in the home setting and deliver the correct documentation
- **Supporting Family Integrated Care:** delivering the right training and safety measures for parents

**Expected attendees:** audience insight

This day is a must attend NHS workshop for those working in neonatal and maternity services across the NHS. This event is designed for but not limited to attendance from:

- Neonatal Outreach Nurses, Matrons, Sisters, ANNP
- Neonatal and Community Clinical Leads and Consultants
- Neonatal and Maternity Practice Facilitators, Educators and Managers and Leads
