

Delivering Neonatal IV Antibiotics in the Community

Your guide to establishing an effective neonatal OPAT service: setting up your service, delivering best practice and raising parental competencies

 Online Workshop

 Tues 22 Feb 2022 09:30-15:30

Delivering Neonatal IV Antibiotics in the Community

Full agenda: Tuesday 22nd February 2022 | 9.30am registration- 3.30pm close

Workshop leader: share in first-hand experience with Aisling Phillips, Neonatal Outreach Manager, Guy's and St Thomas' NHS Foundation Trust

Event information: highlights of the programme

This online workshop will show you how you can set up your neonatal p-OPAT service, develop your best practice and raise parental competencies by focusing on:

- Building new guidelines into your neonatal outreach service
- Driving forward best practice for IV administration
- Facilitating and developing community neonatal IV therapy services
- Establishing an emergency care pathway
- Effective working with parents to ensure a successful neonatal p-OPAT

Expected attendees: audience insight

- Neonatal Outreach Sisters
- Advanced Neonatal Nurse Practitioner
- Senior Staff Nurses, Neonatal Outreach Team Leads and Neonatal Matrons
- Consultant Neonatologists

Pricing structure: price and attendance

- £299 + VAT for one NHS or public sector place
- £249 + VAT (each) for two or three NHS or public sector places
- £599 + VAT for one commercial organisation place

You or a colleague can claim the £249 + VAT NHS discount, for booking two or more places, if you also book onto:

- [Setting Up your Neonatal Outreach Service](#) taking place on 15th December 2021
