Introduction to IG for Clinical Research Databases and Trials

Full agenda: Wednesday 2nd February 2022 | 9.00am registration- 3.30pm close

Workshop leaders: share in first-hand experiences with Amy Ford, Managing Consultant and Joe Stock, Senior Consultant, Kaleidoscope Data Privacy Consultants

Event information: highlights of the programme

- **An introduction to data protection law:** making sure we're all on the same page
- **Covid-19 based research regulations:** what has changed and what next?
- **Understanding and applying consent:** consent for privacy, confidentiality and participation
- **Contracts:** the data protection duties most often missed and what to look for

Expected attendees: this course is of benefit to any public-sector Research and Development Unit based in Acute Trusts, Ambulance Services, CCGs, Charities, Health Boards, Mental Health Trusts, Networks and Universities.

Pricing structure: price and attendance

- £299 + VAT for one NHS or public sector place
- £249 + VAT (each) for two or three NHS or public sector places
- £599 + VAT for one commercial organisation place

Follow on workshop: this course has been designed to be booked together with:
- Advanced Practical Application of IG for Clinical Research Databases and Trials on Tuesday 22nd March 2022.

You or a colleague can claim the £249 + VAT NHS discount, for booking two or more places, if you also book onto:
- Costing NHS Commercial Clinical Research taking place on Friday 12th November 2021.
- Structuring and Reviewing Contracts for Clinical Research taking place online on Thursday 18th November 2021.
- Clinical Research Leadership and Management taking place on Thursday 24th February 2022.
- Advanced Practical Application of IG for Clinical Research Databases and Trials taking place on Tuesday 22nd March 2022.

Commercial companies are also invited to sponsor this day, please email Sarah Kemm for further details.
