

Advancing Mental Health Care in Acute Paediatrics

Building strategies to protect the
mental health and wellbeing of
children and young people

 Online Workshop

 Mon 28 Feb 2022 09:30-15:30

Advancing Mental Health Care in Acute Paediatrics

Full agenda: Monday 28th February 2022 | 9.30am registration- 3.30pm close

Workshop leader: share in first-hand experience with **Thomas Parker-Evans, Acting Head of Safeguarding and Complex Care and Honorary Lecturer, Keele University, Cheshire and Wirral Partnership NHS Foundation Trust**

Event information: highlights of the programme

This unique workshop will share practical tools driven by experience. Focusing on:

- Developing your service to support complexity to improve patient outcomes
- Risk assessment and management of mental health on general acute paediatric wards
- How to reduce the risk and exposure to mental health challenges for other children in acute care
- Developing a mental health toolkit to enhance how your team support CYP
- How to provide mental health crisis care for children and young people in acute settings

Expected attendees: audience insight

This online meeting is ideal for NHS professionals working with children and young people admitted to Acute Trusts. This includes but is not limited to:

- Acute Paediatric and CYPMH Nurses, Matrons and Clinical Nurse Specialists
- Paediatric and Paediatric Mental Health Services, Clinical Leads and Managers
- Paediatric and A&E Consultants, Child and Adolescent Psychiatrists and Clinical Psychologists
- Commissioners for Paediatric Services
