

Progressing Nurse-Led Sonography in Early Pregnancy Assessment Units

Improve patient outcomes, patient flow and waiting list targets

 Online Workshop

 Fri 25 Nov 2022 09:30-15:30

Progressing Nurse-Led Sonography in Early Pregnancy Assessment Units

Full agenda: Friday 25th November 2022 | 9.30am registration- 3.30pm close

Workshop leader: Hear how you can achieve high standards of care by implementing new strategies to enhance your ultrasound procedures with: Patricia Steele, Clinical Nurse Specialist Gynaecology and Unit Manager for EPAU, Kingston Hospital NHS Foundation Trust.

Event information: highlights of the programme

Are you looking to develop the role of gynaecological nurse sonographer in your service? Are you looking to upskill your team to meet the increasing demands of same day emergency cases? If yes, then this online workshop is for you. Book your place and refocus on:

- Building new nurse-led pathways to meet increasing demand on outpatient gynaecology
- Demonstrating the cost benefits of delivering a nurse led sonography service
- Recognising deviations from the norm to ensure an effective treatment pathway
- Developing your communication skills with patients to support wellbeing
- Co-ordinating your outpatient clinics to improve patient flow
- Evolving your EPAU to meet new service pressures

Pricing structure: price and attendance

- £349 + VAT for one NHS or public sector place
- £299 + VAT (each) for two or three NHS or public sector places
- £599 + VAT for one commercial organisation place

You or a colleague can claim the £299 + VAT NHS discount, when booking two or more places across this and any other subsequent event, providing the same pricing structure applies. [Click here to view the full list of up and coming events.](#)

Commercial companies are also invited to sponsor this day, please [email Sarah Kemm](#) for further details.
