

## Advancing Palliative and End of Life Care

Re-centre, re-focus and drive forward your patient experience to meet the 'Ambitions for Palliative and End of Life Care' national framework

 Online Course

 Mon 11 Jul 2022 09:00-15:40

## Advancing Palliative and End of Life Care

With the release of the 'Ambitions for Palliative and End of Life Care' national framework, this interactive forum seeks to engage with and interpret what this crucial guidance means for your service. Find out how to deliver quality person-centred care and achieve effective collaborative working in an integrated care network. Join this study day to share best practice for advancing patient experience, outcomes and quality of life.
