

Costing NHS Commercial Clinical Research

An interactive day designed to enhance budgeting skills, improve accuracy and build costing awareness

Online Workshop

Fri 12 Nov 2021 09:10-15:00

Costing NHS Commercial Clinical Research

Full agenda: Friday 12th November | 9.10 registration- 3.00pm close

Workshop leader: David Powell, Research Contracts Adviser, Aneurin Bevan University Health Board

Event information: highlights of the programme

Through case study examples, you will solidify your understanding, control your finances and learn how to work effectively with research by focusing on:

- Salient points of the NIHR industry costing template
- Scenarios on the reality of costing commercial trials
- Practical guidance for costing commercial trials
- Controlling finances for your commercial research portfolio: managing income and expenditure

Expected attendees: audience insight

Aimed at clinical research staff at all levels, this is a participative seminar is ideal for:

- Clinical Researchers: focusing on the overall budgets and finances
- Finance Officers and Accountants: dedicated to keeping track of costs, income and invoicing
- Trial Co-ordinators: responsible for gathering costs and inputting figures for clinical trials

Pricing structure: price and attendance

- £299 + VAT for one NHS or public sector place
- £249 + VAT (each) for two or three NHS or public sector places
- £599 + VAT for one commercial organisation place

You or a colleague can claim the £249 + VAT NHS discount, for booking two or more places, if you also book onto:

- [Research Governance Guide to Clinical Trials Contracts](#) taking place on Monday 12th July
- [IG for Clinical Research Databases and Trials](#) taking place on Friday 24th September
- [Structuring and Reviewing Contracts for Clinical Research](#) taking place on Thursday 18th November

Commercial companies are also invited to sponsor this day, please [email Sarah Kemm](#) for further details.
