

Free of charge for NHS professionals:

## NEW comprehensive Flash Glucose Monitoring online courses

Attendance is limited to one place across the three-course series, so please only register for the one most appropriate to you

### Introduction to Flash Glucose Monitoring

15th July 2021, 9.00am - 1.00pm  
[Register now >>](#)

Created for HCPs who are new to Flash Glucose Monitoring or have not previously attended a dedicated course, featuring:

- How to insert and set up patients on the sensor
- What to tell your patients about Flash Glucose Monitoring
- What the AGP is and where to find it
- What trend arrows are and what they mean

### Higher Flash Glucose Monitoring

18th June 2021, 9.00am - 1.00pm  
[Register now >>](#)

23rd June 2021, 1.00pm - 5.00pm  
[Register now >>](#)

Designed for HCPs who work regularly with Flash Glucose Monitoring and look at more than 10 downloads per week, featuring:

- Managing clinic lists and prioritising patients using LibreView
- Expanding the use of Flash Glucose Monitoring beyond T1D
- Reducing variability, determining the impact and understanding what causes it
- Advising patients how to use Flash Glucose Monitoring during exercise
- Evaluating and managing patients' exercise using their downloads

Benefit from an expert speaker line-up made up of clinicians who will provide clear advice and evidence plus helpful tips for interpreting data and reviewing patients

Speaking across the 3 forums are:

- **Dr Emma Wilmot**, *Consultant Diabetologist, University Hospitals of Derby and Burton NHS Foundation Trust*
  - **Fiona Campbell**, *Lead Clinician for Paediatrics, Leeds Teaching Hospitals NHS Trust*
- **Iain Cranston**, *Consultant Physician, (Diabetes & Endocrinology), Portsmouth Hospitals NHS Trust*
- **Ramzi Ajjan**, *Professor of Metabolic Medicine, University of Leeds*
- **Alistair Lumb**, *Consultant in Diabetes and General Medicine and Vice-Chair, Oxford University Hospitals NHS Trust and Diabetes Technology Network*
- **Anna Dover**, *Diabetes Consultant Physician, NHS Lothian*

Read more about these speakers on our [news board>>](#)

Due to the interactive nature, spaces on these courses are limited and available on a first come, first served basis. If you need to make a change or cancel an existing booking, please [email our bookings team](#), as this may free up a space for someone else. Each course is free for NHS professionals but failure to attend without prior written cancellation may result in a charge of £100. Attendance is limited to one place per person across the three-course series.
