

IG for Clinical Research, Trials and Research Databases

Update yourself on changing Covid-19 and post-Brexit Regulations, understand the principles of data protection law and upgrade your knowledge of consent and contracts

 Online Workshop

 Tue 04 Oct 2022 09:00-15:30

IG for Clinical Research, Trials and Research Databases

Full agenda: Tuesday 4th October | 9.00am registration- 3.30pm close

Full speaker details: your course leaders, Amy Ford and Joe Stock have previously run a number of online workshops on this topics which have been described as “an excellent forum. Full of practical and applicable information” and “well organised, excellent content, confident and knowledgeable presenters”. Take one day out to benefit from the knowledge and expertise of your experienced workshop leaders.

Event information: highlights of the programme

As an accurate reflection of the latest changes in the law, this NHS and public sector course will contain the most up to date information in the field and will provide information updates on:

- An introduction to data protection law: making sure you are all on the same page
- Covid-19 based research regulations: what has changed and what is next?
- Understanding and applying consent: consent for privacy, confidentiality and participation
- Contracts: discover the data protection duties most often missed and what to look for
- Post-Brexit Practicalities: explore sponsors, CROs and why where they are matters

Pricing structure: price and attendance

- £349 + VAT for one NHS or public sector place
- £299 + VAT (each) for two or three NHS or public sector places
- £599 + VAT for one commercial organisation place

Commercial companies are also invited to sponsor this day, please [email Sarah Kemm](#) for further details.
